Sir:

Applicant respectfully requests that the Examiner issue a corrected Notice of Allowance reflecting the title as amended in the Amendment filed January 3, 2007.

The title should read:

Method for Secure Communication Over a Public Data Network via a Terminal that is Accessible to Multiple Users

If there are any questions regarding this request or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

Respectfully submitted,
